
BTEC Level 2 First Certificate Art & Design

This six unit course follows a very practical programme of study and will offer a basic understanding of Art and Design. Students will develop areas of 2D design, art history, photography, graphic design and creative IT progress is assessed by regular tutorials and ongoing assessment of assignment work and special projects.

Introduction

There is ample opportunity to take part in educational visits. Alongside this course you will have the opportunity to improve your GCSE grade in English or Mathematics.

This course is equivalent to 2 GCSEs and is a one-year course.

Level Level 2

Specific course entry requirements

To study a Level 2 programme you will have achieved a minimum of three grade 3s in your GCSEs, in addition to a grade 3 in English Language (please refer to the Entry Requirements section page 24 for further details).

What will I study?

This six unit course follows a very practical programme of study and will offer a basic understanding of Art and Design. Students will develop areas of 2D design, art history, photography, graphic design and creative IT process is assessed by regular tutorials and ongoing assessment of assignment work and special projects. There is ample opportunity to take part in educational visits.

How will I be assessed?

Formal assessment will take place on completion of projects. There are six units in total, two are externally set and the remaining four are internally set.

Where will this course lead me?

The BTEC First Certificate is ideal preparation for further study. Most students who achieve a Merit grade overall, could progress to an A level or BTEC Level 3 National Extended Diploma in Art and Design at the College. Alternatively students may enter related employment.

Progression to Level 3 Courses at St John Rigby College is dependent upon meeting the entry requirement for that course.
