

Student Absence Procedures

You have enrolled to undertake an agreed programme of study. Attendance at lessons is the single most important factor in your achievement. Research shows that a 4% drop in overall attendance, results in the loss of a grade in 1 subject and a 10% drop in overall attendance results in your grades dropping by 1 grade across your whole programme. You are expected to attend every lesson punctually. Lateness is disruptive and persistent lateness will result in disciplinary sanctions. Your attendance records are updated on a daily basis on the SJR Portal.

If you do not adhere to the attendance requirements and procedures of the College you will become subject to the College's Support and Disciplinary Procedures. Additional sanctions may also be applied and include being required to bear the cost of course registration fees and / or examination fees or being withdrawn from the course. Bursary payments may also be withheld. Progression to further years of study also depends upon your attendance record being good.

Reporting Absences

You should report all absences by telephone or email to the College by **9:00 a.m.** each day of your absence. If you are absent from work placement you must notify your placement and the College. Failure to contact College will result in your Personal Tutor contacting your parents and may result in disciplinary sanctions. Your attendance is a major priority and you should keep the College fully informed of any genuine reason for absence. Genuine absences should be supported by evidence such as a medical note or appointment card.

Lateness Procedure

You must attend all lessons punctually. If you know that you are going to be late you must inform the College. If you are late for College due to a College bus problem, an e-mail will be sent to staff informing them that the lateness is due to transport problems. If you arrive late you must go straight to your lesson. You are responsible for getting your absence mark changed to a late mark by reminding your teacher at the end of the lesson.

Authorised Absences

Some absences may be classified as authorised and in these cases students will be marked as 'authorised' on College attendance records. You must gain approval of known absences in ADVANCE.

These will ONLY be approved if the reason for absence is unavoidable and the evidence has been presented to Reception, usually prior to the date of the absence. In such cases an Advance Notification Form must be completed.

Absences will not normally be approved if documentary evidence of the reason for absence is brought into College AFTER the absence has occurred.

Authorised Absences:

1. University open days (3 maximum).
2. University Interviews and other final career choice interviews .
3. Hospital / orthodontist appointments/ serious illness supported by a doctor's note.
4. Practical driving test.
5. Bereavement/funeral.
6. Religious holidays.

Unauthorised Absences

Sickness Absence

Sickness absence will be recorded as **Unauthorised**.
Routine doctors' and dental appointments will also be recorded as unauthorised.
