

## Student Absence, Engagement and Punctuality Procedures

You have enrolled to undertake an agreed programme of study and the College expects 100% attendance and engagement is expected. Attendance at lessons is the single most important factor in your achievement. Research shows that a 4% drop in overall attendance, results in the loss of a grade in 1 subject and a 10% drop in overall attendance results in you dropping by one grade across your whole programme. 100% engagement in your studies is also required if you are going to meet your full academic potential. This involves you engaging with your lessons (face to face or virtual), completing lesson activities, homework tasks, meeting deadlines, and sitting both internal and external assessments as required.

You are also expected to attend every lesson punctually. Lateness is disruptive and persistent lateness will result in disciplinary sanctions. Your attendance and punctuality records are updated on a daily basis on the SJR Portal.

If you do not adhere to the attendance, engagement and punctuality requirements and procedures of the College you will become subject to the College's Support and Disciplinary Procedures or the College's Support to Study Policy as appropriate. Progression to further years of study depends upon attendance, engagement and punctuality records meeting College expectations. Additional sanctions include;

- being required to bear the cost of course registration fees and / or examination fees
- being withdrawn from the course or College
- Bursary payments being withheld

### Reporting Absences

- Your parents/carers should report all absences (including virtual timetabled lessons) by telephone to the College by **9:00 a.m.** each day of your absence.
- If you are absent from work placement parents/carers must notify your placement **and** the College. Failure to contact College will result in your Progress Tutor contacting your parents/carers and may result in disciplinary sanctions.

Your attendance is a major priority and your parents/carers should keep the College fully informed of any reason for absence. Absences should be supported by evidence such as a medical note or appointment card.

**College Telephone Number: 01942 214797, press 1 for Student Absences.**

### Lateness Procedure

You must attend all lessons punctually. If you know that you are going to be late you must inform the College.

If you are late for College due to a College bus problem, an e-mail will be sent to staff informing them that the lateness is due to transport issues. If you arrive late you must go straight to your lesson. **You are responsible for getting your absence mark changed to a late mark by reminding your teacher at the end of the lesson.**

### Authorised Absences

Some absences may be classified as authorised and in these cases students will be marked as 'authorised' on College attendance records. You must gain approval of known absences in **ADVANCE**.

These will **ONLY** be approved if the reason for absence is unavoidable and the evidence has been presented, prior to the date of the absence. In such cases an **Advance Notification Form** must be completed which can be found on the College's website.

1. University open days (3 maximum).
