

# What's going on in ... Health and Social Care and Uniformed Protective Services

Our Health and Social Care year 12 students are currently studying Anatomy and Physiology in preparation for their summer exam.

Year 13 Uniformed Protective Service students will be undertaking kayaking, raft building and paddle boarding as part of their expedition unit at Scotsman's Flash.

Health and Social Care students are visiting the Thackery museum on the 17<sup>th</sup> March as part of their studies.
