

What's going on in ...

# Performing Arts

Our actors are currently studying Devising Performances in Year 1 and Improvisation Acting in Year 2. [CLICK HERE](#) to learn about how improv can be used in all areas of life.

Our musicians are currently studying Composition Skills and learning more about listening skills for their mock assessments and for their final exams and coursework. [CLICK HERE](#) for a short video on song writing tips you need to know.

Our Music Production students are currently looking at live sound set up and film music composition and foley artistry. [CLICK HERE](#) for a short video on how the sounds from your favourite movies are made.
