

What's going on in ...

# Philosophy, Ethics and Religion

Year 12 students are currently exploring the nature of different types of religious experiences including mysticism.

To learn first hand how Sufi mystics have mystical experiences we had a Whirling workshop from a Sufi Whirler. [Click here](#) to see our students whirling.

In the Stoic Philosophy club we have looked at the work of Seneca, Epictetus and Marcus Aurelius' and how their philosophy can help us live meaningful, happy lives. [Click here](#) to learn more about Stoic Philosophy.

Year 13 students are currently exploring whether people are free or determined and how this relates to moral responsibility.

[Click here](#) to learn more about Freedom and Determinism.
