

What's going on in ... Sociology

What are Year 12 studying?

Currently, the Year 12 students are starting a new topic, Education. This is where they will discuss and debate positives and negatives of school for society. What do you think?

- *Is education necessary for society?*
- *Why do working class pupils underperform consistently?*
- *Do teachers have prejudice in the classroom?*

What are Y13 studying?

The Year 13 students are starting the last topic of the course, Beliefs. They will consider the role religion plays in society. What do you think?

- *How does religion control society?*
- *Why do people join extremist groups?*
- *Is Science replacing religion in society?*
