Fees

1 Tuition Fees

The College follows the regulatory guidance provided in the Department for Education Funding Regulations for the academic year in which a student enrolls at the College. This defines a 16 to 18-year-old student as a student who is aged 16, 17 or 18 on 31 August of the year the student enrolls at the College.

Any student who is “settled” in the UK and who has been ordinarily resident in the UK, Channel Islands and the Isle of Man for three years or more prior to the first day of the academic year will not be liable to pay fees. “Settled” status means having either indefinite leave to enter or remain or having the right of abode in the UK.

British Nationals who hold a United Kingdom of Great Britain and Northern Ireland passport, Irish Nationals and European Union nationals or family members of EEA and Swiss workers who were resident in the UK before 1st January 2021 with settled or pre-settled status will not be liable to fees.

For those students who do not meet these requirements, the College will ask to see additional information which might include a passport, national identity card, biometric residence card or permit and any other additional documentation that has been provided by the UK immigration authorities.

Where it is determined that applicants are liable for tuition fees, they will be charged at the prevailing rate. Fees are payable termly, in advance, in 3 equal instalments.

2 Tuition Fee Exemptions

Fees will be waived for the following students:

- 2.1 Unemployed people in receipt of Jobseekers’ Allowance.
- 2.2 Those in receipt of Working Tax Credit (WTC) or Universal Tax Credit.
- 2.3 The unwaged dependents (as defined by Jobcentre Plus) of those listed above.
- 2.4 Those taking programmes where the learning aim is basic skills as defined by the Department for Education as ‘provision that caters for the literacy, language and numeracy needs of post-16 learners, including those with learning difficulties or disabilities, from Pre-entry Level up to and including Level 2’.
- 2.5 Asylum seekers in receipt of the equivalent of income-based benefit (assistance under the terms of the 1999 Immigration and Asylum Act) and their dependants.

Evidence of the exemption is needed before the fees can be waived.

In exceptional circumstances the College may waive fees. Anyone wishing to apply for such a fee waiver should contact the Finance Manager via Reception.

3 Examination/Certification fees

Students aged 16-18 at the start of the course are exempt from such fees for their first attempt only. Fees for retakes for examinations/course elements previously failed at the College will be the responsibility of the student.

For learners aged 19+ the certification fees and examination fees for first attempt only are included within tuition fees charged, unless otherwise stated.

The College has the right to charge for examination entries and/or resits as follows: -

- a) Where the required attendance or completion of work has not been completed
- b) Where the learner fails without good reason to sit the examination for which the College has paid. This includes those students who leave the College midway through their course.
- c) Where learners are retaking an examination resulting from an earlier examination failure
- d) Where learners are retaking an examination with the aim of achieving marginal improvement in grades. The College has the discretion to waive resit fees in exceptional cases, e.g., College closure.

4 Trips and Visits

Learning activities, such as trips and visits offered as part of an agreed learning programme for 16 to 18 year olds are available to all students. The College will charge for travel, board and lodging and other additional costs incurred by the College as a result of the learning activity.

If an activity cannot be funded without voluntary contributions this will be made clear in the initial letter to the student and/or parent, detailing the proposed activity. Financial assistance is available in certain circumstances to ensure that all students can participate.

The College retains the right to charge for optional activities, which fall wholly, or mainly outside the agreed learning programme for 16 to 18 year olds. The cost of these activities will be made clear to the student and/or their parents.

N.B. There is a minimum charge per trip of £5.00 per student.

Work Placements

For those students who are required to attend a work placement as part of their College course, a payment of £40.00 will be required towards the cost of obtaining a Disclosure and Barring Service DBS check.

5 Books & Equipment

Students will be required to purchase textbooks for their own personal use. Students will have the option to purchase textbooks through the College in order to benefit from our mass purchasing capability. Classroom textbooks may be loaned without charge. This is at the discretion of the Head of Department. Students studying Art will be required to buy some materials for their course. Students studying all sports related courses will have the option of purchasing training kit or a College t-shirt.

6 Refunds

A minimum number of student enrolments will be necessary for all courses or trips to proceed. If there are insufficient enrolments it will be necessary to cancel the course or trip with a full refund of fees.

If a student withdraws from a course after it has commenced, fees will not normally be refunded.

8 16-18 Bursary Fund & Discretionary Hardship Funds

All students may be entitled to an award from the 16-18 Bursary Fund. The College anticipates that details about eligibility criteria and how to apply will be available before the start of the 2025-26 academic year. The College makes awards from the 16-18 Bursary Fund to all those students fulfilling the eligibility criteria, this may be either in kind or in cash, the priority being to help support students in continuing to access their studies. The College also has a Hardship Fund which will usually be used to help in providing equipment, contributing towards the cost of College trips and other cases of financial hardship.

- 16-18 Bursary Fund payments are made subject to students meeting the expectations outlined in the Student Charter.
- 16-18 Bursary Fund payments and equipment purchases may be stopped if a student is absent from College, does not keep up with their work, or if there are other conduct issues.

9 Non-Department for Education Funded Courses

The College may run courses on a commercial basis and in such cases the fees will be based upon full cost recovery.
