GUIDANCE USING ALL BUS SERVICES

All the buses will stop at **any bus stop** on the route, unless stated on the schedule, indicated by 'No Stops' after a certain point.

- Students are advised to arrive at the appropriate bus stop **10 minutes before** the scheduled departure time and allow for varying traffic flow.
 - Occasionally the appearance of the bus may change, however the number of the bus is clearly visible either in the window or on a digital display.
 - Occasionally the driver of the bus may change, do not assume the driver knows to stop. Students **MUST** put their hand out clearly and in time for the driver to see and stop safely.
 - At the end of the day, students need to **actively look** for their correct bus to take them home. Staff will be available for the first couple of weeks to help students get on the right bus.
 - If you lose or forget your **SJR bus pass**, you will need a temporary pass from reception.
 - If you lose your **Ourpass** you will need to re-order from www.ourpass.co.uk and pay fares until it arrives. Always keep £2 on you just in case.
 - Students **MUST** follow the **Student Charter** when using the bus services. Failure to do so may result in temporary or permanent withdrawal of your right to use any of the bus services.
- ❖ Finally, the first few weeks may feel a little chaotic, but don't worry it will settle. If you feel anxious about anything to do with the buses, please come to reception or email transport@sjr.ac.uk
